**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I value competitive choice and I oppose the USTelecom petition. I use a local service, LMI.net, which gives my business hosting service, quick response to issues and questions (as apposed to AT&T or Comcast etc.) at a reasonable price. I do not want to use large corporate services and believe it is against locale and smaller competitive service providers to pass the USTelecom petition. Broadband is critical to by home and business. Also I use Consumer Cellular for phone service. I OPPOSE the USTelecom PETITION.
